2-point conversion. That was all the scoring for Old Rochester for the afternoon and Wareham went on to win 30 to 8 for the second year in a row. The rest of the first quarter was a defensive battle as both teams were unable to move the ball.

In the first play of the second quarter Old Rochester moved from their own 37 to the Wareham 20 but a holding penalty put them back to their own 22. Unable to move, they were forced to kick and Wareham took over on the Old Rochester 41. In 5 plays they moved to the 1 and then Thomas Souto ran over for the 6 points. Morris Fontes rushed for the 2 and the game was tied.

Old Rochester, unable to move after the kick-off, punted and Wareham took over on their own 25. On the first play Vasconcelos hit Gerry Barrows for a 75-yard touchdown pass and then passed to Souto for the 2 points and Wareham now led 16 to 8 which was the score at half time.

A long run by Souto from deep in his own territory to the Old Rochester 31 helped set up another Wareham touchdown in the third quarter. The Vikings then moved to the Old Rochester 5 and Souto ran it into the end zone for 6 more. The 2-point try failed.

when they moved to the Wareham 11 after Jay Meehan intercepted a pass and returned to the Wareham 22 but the stubborn Wareham defense held.

Souto scored again for the Vikings in the fourth quarter after Wareham intercepted an Old Rochester pass. Gordon Franklin ran it in for the 2-point conversion for the final scoring of the afternoon to make it a 30 to 8 victory for Wareham.

Wareham also won the Cross County meet held during the half as the first 5 runners to cross the finish line were all Vikings.

The Cranberry Bowl and trophies will be presented to the winning teams at an assembly at the school in the near future.

This Saturday the Bulldogs play New Bedford Vocational at Sargent Field in New Bedford.

Art Center Exhibit

DUAL SHOWING AT ART CENTER

The Marion Art Center will present a dual showing from October 20 to November 11, featuring the drawings of Ellen Marie Francis and the silverwork of Neil Terkelson.

Ellen Marie Francis (Ellen Tokaloo) of Middleboro and Iran was educated at the Swain School of Design, the University of Nevada, and the State College at Bridgewater. She has exhibited at eight national shows, among which are the New Bedford Summer Arts Festival, Drawings and Small Sculpture Show at Ball State College, Inc., and National Exhibition of Prints and Drawings in Oklahoma City where she won a purchase award. Her fine-line drawings have a spontaneity and delicacy delightful to the eye.

Neil Terkelson studied at the Rochester Institute of Technology in New York. From his shop in Hyannis he produces silverwork that combines both beauty and function. His goblets and pitchers have exquisite line and form while the plates and bowls have a rough, hammered effect. The artist will also display his contemporary jewelry.

There will be an opening on Friday, October 19th, at 6:30 for members and guests. The Marion Art Center is open Tuesday through Sunday from 1:00 to 5:00 P.M.

TOBEY HOSPITAL GUILD

Members and guests are cordially invited to attend the 32nd birthday celebration of Tobey Hospital Guild, to be held Thursday night, October 25th, at 7:30 P.M. in the Wareham High School auditorium. Please note change of time and place. Arnold Benson, M.D., Director of Boston and Washington, D.C. Acupuncture Centers, will speak on that ancient Chinese method of relieving pain. Refreshments will follow the meeting.

One of the principal activities of Lions International is the support of eye care research throughout the world, and Lions Clubs of Southeastern Massachusetts currently are collecting used eye glasses to send through CARE to Africa. Dr. Charles Phillips, Jr. heads the Mattapoisett club's eye conservation activities.

A summer resident of Mattapoisett with his family since 1940, Watts and his wife recently became year-round citizens of the community. They have three children and 3 grandchildren.

A Princeton alumnus and member of the bar of the United States Supreme Court, he retains his active association with a 100-year old New York law firm. He also is chairman of the board of the Legal Aid Society of New York of which he has been an officer almost continuously since 1939.

October is International Month for the worldwide Lions organization, and for the Mattapoisett Club it also has been a month when members have been urged to bring guests to the meetings - an invitation which, of course, extends throughout the year.

President R. William Blasdale will conduct the meeting.

BREAKS IN MATTAPOISETT

Mattapoisett Police have reported that there has been a series of 4 breaks in Mattapoisett houses within the last 3 weeks. Police have recovered a TV set, 2 coin collections worth several hundred dollars and jewelry. Two youths were arraigned last Friday at Juvenile Court in Wareham. The cases are still under investigation.

The ballots should be returned to the Mattapoisett Businessmen's Association, c/o general delivery, Mattapoisett.

The first order of business for the Board of Directors will be a meeting with the Board of Selectmen in order to start action for the sign on 195 to indicate that food, lodging and gasoline is available in Mattapoisett.

Mr. Ozzie Gingras, acting treasurer, reported that $820. is in the treasury. In the discussion, Mr. Joe Guard suggested that members make notes on the by-law outline so that any suggested changes can be discussed at the next meeting. Mr. Chris Taft said that, in the future, Mattapoisett will have more people than we now conceive and more than we really want. He suggested that the direction of the Association should be to back projects of benefit to all of the town that will enrich the quality of the life of the residents and maintain the character of Mattapoisett as is now enjoyed.

Mr. Frank Sylvia, member of the Board of Directors of the Cranberry Chamber of Commerce, invited members to join that group at the Harbor Beach Club. At that meeting on Wednesday, October 24th, State Senator Chester G. Atkins will be guest speaker.

Mattapoisett Senior Citizens

SENIOR CITIZENS CLUB NEWS

Sponsored for and by the Senior Citizens Club of Mattapoisett a whist and cards party was held October 10th in the Drop-in Center at the American Legion Hall. It was the first in the monthly series to be held the second Wednesday of every month at 1:30 P.M. It is open to the public, all ages are invited. This party was a very pleasant affair. There were beautiful door prizes, score prizes and drawing prizes. There was a brief intermission at which delicious refreshments were served FREE. When the tantalizing aroma of fresh perked coffee filled the hall, it was a quick decision not to wait until the end of the games for the refreshments.

The next Whist-Card Games Party will be Wednesday, November 14th, at 1:30 P.M. at the American Legion Hall. Open to the public and all ages invited, there is a small donation collected. Light refreshments will be served FREE. Prizes will be appreciated. What little profit from these parties will benefit the Senior Citizens' Club of Mattapoisett. The main purpose is to get people together and promote friendliness with all ages.

At the Senior Citizens' business meeting October 15th at the American Legion Hall, plans were made for a pot luck luncheon to be held October 29th.

A reminder that now is the time to pay dues. The year is from November 1, 1973 through October 31, 1974. Please attend the meetings. If you have not joined the club of "Senior Society" now is a good time. You will find your life greatly enriched.

There will be a Christmas Bazaar on Saturday, November 17th. Watch the Presto Press for details.

It has been admitted that the Senior Power is great. During a short survey youngsters were asked "What do you want to do or be?" Usually it was a "cop", a "cowboy" an "airplane pilot". Today they answer, "first of all I want to be a Senior Citizen".

That's a real achievement. In the past pioneers fought the wilderness, hardships and depressions. Some of them were Tom Edison, the Wright Brothers, Professor Einstein, Alexander Graham Bell, and scientists, doctors, researchers who are an inspiration for you and who have made the

Today you have to fight for the right to be born. It once was said "The hand that rocks the cradle, rules the world". Soon there will be no cradles to rock, therefore no "Senior Society". You have a terrible jungle to fight, to prepare for being a Senior Citizen.

To be a member of the senior society is supreme.

Harvest Supper

ROCHESTER HARVEST SUPPER, NOV. 3

The Ways and Means Committee of the First Congregational Church, Rochester Center, will present a Harvest Supper on Saturday, November 3rd. There will be two seatings, at 5 P.M. and 6 P.M.

The supper features the corned beef that Pastor White takes pride in personally preparing. A trained meat cutter, and an innovator by nature, he starts with only the finest heavy western, U.S.D.A. Choice round steak roasts. This he "corns" for only a limited number of days, rather than weeks. The results, he says, and many agree to, is a "smacking" good and tasty beef that can be cut with a fork. The supper will be served family style.

All profits will directly aid the church treasury. It is suggested that you phone one of the following persons and reserve your tickets: phone today, Mrs. Randy Ayotte, Mr. and Mrs. Albert Alderson, Mr. and Mrs. George Church, Mr. and Mrs. Ernest Davoll, Mr. and Mrs. Greenwood Hartley, Jr., Mr. and Mrs. James Hartley, Miss H. COUNSELING SERVICE

The Health Counseling Service, sponsored by the Marion Visiting Nurse Association and the Marion Council on Aging, is open at the Congregational Community Center from 2 to 4 P.M. on the second Tuesday of each month. Mrs. Thelma Sequeira usually begins with a topic that is of general interest to senior citizens. Individuals who are puzzled about benefits from Medicare, Medex, etc. have an opportunity to ask questions. Symptoms may be discussed either with the group or privately. Mrs. Sequeira is authorized to take blood pressures at the request of a patient's doctor. Laughter can be heard at these meetings as the people who come regularly feel at ease with each other and share experiences. The next date for the health counseling service will be Tuesday, November 13th.

The Regional Scholarship Club met recently to formulate final plans for the Junior Miss Pageant. An annual event, sponsored by this group of businessmen, under the direction of Mr. Normand Desjardins, a gala performance is being planned. Talented high school senior girls from Wareham and surrounding towns will compete for that most coveted title - Wareham Junior Miss. With this title, the winner becomes qualified to enter the Massachusetts State Pageant where the rewards can be high. Victory at the State Pageant sends the girl to Mobile, Alabama where she will have the opportunity to become America's Junior Miss. Here, again, the rewards can be great, both in intrinsic value and in personal satisfaction.

In each of the three pageants the least a contestant can take away with her is greater self-confidence and a sense of achievement.

This all starts from pageanst held in towns and cities throughout the United States. The local pageant, sponsored by the Regional Scholarship Club, will be held at the Old Rochester Regional High School on November 24th. Under the training and guidance of Ms. Donna Desjardins the contestants will present a program designed to demonstrate each girl's talents and qualifications. Many new and novel features have been worked into the program and an entertaining and interesting evening is promised to all who attend.

The program of Multi-Service Center, sponsored by the New Bedford Board of Health, will be the subject of Mrs. Cynthia G. Morris, director, on Wednesday, October 24th, at the Weekly Luncheon at the New Bedford YWCA at 12:15 P.M. The public is cordially invited. Questions about the services and the program of this Center will be gladly answered by the speaker. The luncheon, ready at 11:45 A.M., is very informal and does not require reservations.

A new activity, a Drop-in Center for Adults, starts this week on Thursday from 1 to 3:30 P.M. This is for all women, and YWCA membership is not required. The only charge will be for materials. A variety of arts and crafts will be offered, and an exhibit on this opening day will introduce visitors to the many possibilities available in the series of classes. Beginners will be helped to develop the activity most interesting to them and individual attention will be given. Miss Kathy Conlon and Miss Dyann Peder-
